

Legendary Encounters: Matrix

SETUP

1. Player Decks & Avatar
2. (5) Hovercraft on Board
3. Choose (1) Act 1, (1) Act 2, & Pair of Act 3 cards
Pull out corresponding Act decks
*** Separate "Extra" cards from each deck & keep them off Board ***
4. Place Act cards on Board in order starting with Act 1, Part 1
5. Place Strike cards on Board
6. **Zion Deck** (4 Hero decks)

7. **Matrix deck**

Shuffle # of "Part of the System" cards into EACH Act deck
(ex: Shuffle 5 PotS cards into EACH Act deck)

Place Act 3 "Inevitable" card face up

Place Act 3 deck (with PotS cards) face down on top of it

Place Act 2 deck (with PotS cards) face down on top of it

Place Act 1 deck (with PotS cards) face down on top of it

8. Place token on 10 spot of Time Track

Playing

In the Matrix? Avatar has a spot on the Board. You can Fight, Scan, & Complete Challenges.

In the Real World? Avatar kept off Board. Can Recruit from here.

Once per Turn, 1 Free Move - Go INTO OR OUT OF Matrix (OUT requires a Phone)

- CAN go INTO the Matrix without a Phone
- CANNOT escape OUT OF the Matrix without a Phone
- Card effects will also allow you to move for free
- If using Phone in Combat Zone, must Pay 3 Recruit (Only available if all 3 spots are NOT taken)

Turn Sequence

1. Matrix Phase: Draw a Matrix card & add it face down to the Matrix row
 - If Matrix row is FULL, move last card to Combat Zone, face up, pushing others to the Right
2. Action Phase: Play cards from your hand to Scan, Fight, Recruit.
 - One "Free" into or out of Matrix (Out of Matrix requires Available Phone)
 - Fighting, Scanning, Completing Challenges requires you to be in the Matrix
 - Recruiting requires you to be in the Real World
3. Strike Phase: Each enemy in the Combat Zone Strikes Right to Left
 - If Player IN the Matrix, Player Draws Strike card
 - If Player NOT IN the Matrix, Decrease Time Track by 1 per Strike
4. Cleanup Phase: Discard your hand & all Heroes in Play, Draw 6 new cards

Going to a new Act ends your turn **IMMEDIATELY**. Do Not goto Strike Phase. Go to Cleanup Phase

Challenges & Events are in the Matrix deck & may get revealed

Challenges can ONLY be completed while IN the Matrix

If Challenge does not say where to put it, leave it where it was revealed & move it like an enemy.

Completed Challenge gets discarded to Challenges/Events/Specials space on Board

Event is Revealed, follow instructions, then Discard to Challenges/Events/Specials space on Board

Some Challenge/Enemies require you to be in the Real World to complete

Enemies in the Real World may be focused on you, but can be fought by any player

Inevitable card

- Once in Matrix row, cannot be scanned & Always counts as Face Up
- When cards need to be added to row, skip adding & just move Inevitable Right
- When it covers a Phone, THAT phone cannot be used FOR THE REST OF THE GAME

Lose

- If Time Track reaches 0
- If any Player loses all their Life points

Keywords:

Avoid - When you avoid a Strike don't draw a Strike card or reduce the Time Track.

Buy Time - While in the Matrix, Pay 5 Star to prevent ALL Strikes from that Agent

Chase - End of Matrix Deck draw Phase, Chase cards Move 1 extra

Combat Zone/Matrix Row - When in the Combat Zone or Matrix Row

Coordinate - You may discard this card to give effects to the Active player. If so, draw a replacement card.
Can Coordinate even if it's not used.
Can only Coordinate 1 Card to a player, but several players can Coordinate to Active the player.
If Solo, must Discard 'another' card WITH Coordinate to draw a new card. Do not get discarded cards effects.

Cover - In Matrix row, can't Fight if a face down card to the Left or Right of this card

Defeat - Remove card from the game

Digital Hero - Hero can be Recruited from the Matrix or Real World

Double Strike - Strikes 2X, each Strike is treated separately (also can Strike Time Track)

Evade - Pay listed Star to move Enemy to Rightmost clear space

Fight - When you Fight this card

Inevitable - When in Matrix row & you need to add a card to the row, instead move the Inevitable card one space

Reveal - When this card is scanned or flipped by entering Combat Zone (does not include 'Look At' abilities)

Sacrifice - Trash/Defeat card to get text effect (This is optional)

Stationary - Card doesn't move in Matrix row. If another card would Push, just skips over this card

Strike - Text occurs during Strike phase

Undefeatable - Cannot be defeated. Usually another way to work around it.

Wild Swing - When Enemy Strikes you, you may Discard 1st Strike you draw & draw a new one. (Must keep it)
